13. Infringement Indemnification

(a) Matrify will defend, indemnify, hold Licensee and its directors, officers, employees and other agents (collectively, "Licensee Indemnitees") harmless, at Matrify's sole cost and expense, any action brought against any Licensee Indemnitee based upon the claim that the Product, if used within the scope of the License granted under this Agreement, infringes, violates, or misappropriates a patent, trademark, copyright, trade secret, or other intellectual property or proprietary right ("IP Claim"); provided, however, that: (i) Licensee shall notify Matrify promptly in writing of any such IP Claim; (ii) Licensee shall not enter into any settlement or compromise on any IP Claim without Matrify's prior written consent; (iii) Matrify shall have sole control of any such action and settlement negotiations so long as there is no detriment or liability to Licensee; and (iv) Licensee shall provide Matrify with reasonable information and assistance, at Matrify's request and sole cost and expense, necessary to settle, defend, indemnify or hold harmless such IP Claim. Matrify agrees to pay all damages and costs incurred Licensee attributable to such IP Claim. (c) Exclusions from Defense Obligation. Matrify will have no duty to defend any IP Claim to the extent such IP Claim is based on: (i) use of a superseded release of the Product, if such infringement would have been avoided by the use of a current release

of the Product and Matrify timely notified Licensee of the availability of the non-infringing Product at no additional cost; (ii) the combination, operation, or use of the Product with programs or data not furnished by Matrify or at Matrify's direction, or with hardware or operating system software other than the hardware platform and operating system with which the Product is designed to function, if such infringement would have been avoided by the use of the Product without such programs, data, hardware or operating systems; (iii) modification or attempted modification of the Product by anyone except Matrify or at Matrify's direction, or use or distributions of such modifications; or (iv) Licensee's use of the Product in a manner that results in defamation, violates the privacy rights of individuals, transmits material in violation of any applicable law, rule, regulation, or uses any proprietary third party content without legally binding consent of such third party.

(d) To the extent an IP Claim is excluded from Matrify's defense obligation, is based upon the claim that any modifications to the Product or combination of the Product with products, not provided by Matrify or at Matrify's direction, infringes or violates any third party, Licensee will defend or settle, at its expense, any action brought against Matrify provided, however, that: (i) Matrify shall notify Licensee promptly in writing of any such claim; (ii) Matrify shall not enter into any settlement or compromise any such claim without Licensee's prior written consent; (iii) Licensee shall have sole control of any such action and settlement negotiations; and (iv) Matrify shall provide Licensee with information and assistance, at Licensee's request and expense, necessary to settle or defend such claim. Licensee agrees to pay all damages and costs finally awarded against Matrify attributable to such claim. The foregoing states the sole liability of Licensee and the exclusive remedy of Matrify for any infringement of intellectual property rights by the Licensee modifications or combinations or any other items provided by Licensee hereunder.

(e) Notwithstanding Clause 13(a) above, Matrify assumes no liability hereunder for, and shall have no obligation to defend Licensee or to pay costs, damages or attorney's fees for, any claim based upon any modifications to any of the Product not approved by Matrify or at Matrify's direction or combination of any of the Product with products not approved by Matrify or at Matrify's direction.

Excluding Matrify

Except for each party's indemnification obligations or breach of Clause 2 ("Licensee Fee"), 8 ("Unauthorized Use or Distribution"), or 10 ("Licensee's Restrictions"), neither party will be liable for lost profits or for special, indirect, incidental or consequential damages, regardless of the form of action, even if such party is advised of or aware of the possibility of such damages. The foregoing liability limitations shall apply to the maximum extent allowed by applicable law. To the extent the foregoing liability limitations or the warranty disclaimers of Clause 4 are not allowed by applicable law, then the liability of Matrify, and the remedy of Licensee, shall be limited to the prompt: (d) re-supply of any defective Product; or (e) refund of any license fees paid by Licensee for such defective Product.

Matrify may assign its rights and obligation under this Agreement without consent of Licensee.

21. Attorneys Fees

The prevailing party in any legal action or arbitration relating to this Agreement will be entitled to recover its attorneys' fees and litigation costs and expenses incurred in connection with such action or arbitration as part of the same proceeding.
